

Work Starts On New Store For Rose Brothers

Gateway Ground Broken For \$20,000 Market By Joseph

Ground has been broken at Gateway Park for a new \$20,000 store building to house the Truckee branch of the Rose Brothers Markets.

The building is being erected by Richard Joseph and will be located just east of the site now occupied by four new stores being completed during the next few days. The grocery store will be just 40 feet from the east side of the new buildings and will occupy a space of 80 by 55 feet. It will be adjoined by a 60 foot parking lot on the east side.

Dave Rose, who will manage the new store, said the entire 80 foot front will be devoted to a serve-yourself grocery and meat market, the latter being under the management of John Grack, currently in charge of the meat department at the Truckee Public Market, also operated by Rose Brothers. Harvey Hocker will also be employed at the new market here.

Jack Wolert is the contractor in charge of the work and Joseph said it is hoped to have the building complete and ready for occupancy by the latter part of May.

In the meantime, work is progressing on the Rose Brothers' Quincy store and when the Truckee branch is completed the brothers will have three stores—Quincy, where Charles Rose will be in charge; Hawthorne with James Rose as manager and the new Truckee store.

BIDS ARE SOUGHT TO BUILD RESORT AT MT. LINCOLN

Howard Smith, range and recreation staff man of the Tahoe National Forest, reports that applications for development of a ski resort at Mt. Lincoln Basin in the Donner Summit area of the national forest are being accepted by Supervisor Guerdon Ellis at headquarters in Nevada City.

Cost of the development has been estimated between \$200,000 and \$250,000 and will include rope tows, a 1300 foot T-bar or double chair lift, a 3000 foot chair lift, lunch room, ski shop and other buildings.

The basin lies south of Donner Pass and Highway 40, embracing a wide expanse of excellent ski terrain. Elevations range from 7100 feet at the base of the slopes to the top of Mt. Lincoln.

Smith said in normal years the area will afford skiing from early December to May. He pointed out that overnight facilities are available at resorts in the vicinity of the proposed development. No such facilities for public use are contemplated on government land, he said.

Rights of way have been obtained for an access road from Highway 40 and for a 1000 car parking area, both to be constructed by permittee developing the resort. The project is expected to take four years to complete.

Those interested in further details may obtain them from Ellis or from the Division of Recreation and Lands, Forest Service, 630 Sansome Street, San Francisco.

Louis Credited With Baer's Grey Hairs

Buddy Baer, Sacramento and Reno night club owner and internationally known former heavyweight prize fighter, entertained members and guests of the Lions Club last night with songs and brief talks on his various fistic encounters, including the one with the champ, Joe Louis, which he jokingly said accounted for his prematurely grey hair.

Art Rafel, Truckee pianist, played accompaniment for Baer's solos and also during the dinner. Sarge Reynolds presided and Earl Stice was program chairman.

Additional guests included Fred Cullinini of Reno, Charles Bannon of Kings Beach, Kenneth McCrary of Auburn, W. F. Curran of Truckee and Tom Connor of Tahoe City.

Basketball Team Enters Tourney In Nevada Final

Truckee Has Defeated Six Other Entries This Season

The Truckee American Legion's basketball team plans to leave tonight to participate in the Andy Millich Tournament in Lovelock, Nevada, which begins on Friday morning. There are 15 other teams, all from Nevada, entered in the tournament which will wind up Sunday night.

Truckee's first opponent will be the Lovelock 20-30 Club, the game starting at 11 a.m. tomorrow. Truckee defeated this team in its past season 45 to 30 in a hard fought tussle. If the local boys get by this game, they will play again Saturday at 6 p.m. The semi-finals will be on Sunday at 12:30 p.m. and the play offs for win, place and show will begin Sunday night at 7 and 9 o'clock.

In its regular season, Truckee's team played 31 games, winning 26. Of the 15 other teams in the tournament, Truckee has played seven, defeating six. The locals bowed to Cappucci-Weaver of Fallon 56 to 67 in January.

Manager John Rau reports that he will try to take the entire squad to Lovelock for the three-day grind. This includes Jack Lambres, Al Wakefield, Woodie Hill, Jim Flynn, Bill Curran, Phil Ladd, Phil Foster, John Rablin, Humbert Ciardella and Lester Davidson. Rau also plans to take Howard Painter as equipment manager and team score keeper.

Carlson Runs Again For School Position

Walter A. Carlson, Nevada County superintendent of schools, is seeking a return to office for a fourth term. He was elected to his present position in 1938 and has served continuously since that time.

The county superintendent is responsible for the education program in the county and is the county representative on the state board of education. His work is to correlate and unify the educational work in his county and to act as advisor of the school districts under his jurisdiction.

State support of education has greatly increased during recent years. To insure the receipt of these funds, detailed and accurate attendance and financial reports are required. It is the duty of the county superintendent to see that the reports of the school districts and teachers are accurate and filed on time. The superintendent assists and advises school districts in preparation of budgets. All district bills are paid by school.

Morris Disavows Intent To Seek Justice Post

Fred Morris, one of six Truckee residents to file a notice of intention to seek the office of justice of the peace here, definitely announced that he is withdrawing from the race.

Thus far only two candidates, Mrs. Ethel Buell and Posten Wilson, have filed their petitions.

Others who filed declarations but who have not yet filed petitions are Thomas LaRocca, Hermann L. Owens and Albert C. Praender. The successful candidate will replace Justice of the Peace R. N. Little who is not seeking return to the office.

Jerrold Seawell Announces Candidacy For Re-Election to Equalization Board

Jerrold L. Seawell, member of the state board of equalization, this week announced his candidacy for reelection.

Seawell is well known throughout this district where for several years he served as state senator, devoting much time and effort to the problems of the mountain area. This same personalized service has been carried on since his election to the board of equalization.

Briefly, Seawell's program promised a reorganization of the state board by bringing its activities closer to the people and an improved tax program with strict enforcement of the alcoholic beverage control act.

In making his announcement, Seawell said:

"It is my belief that this pledge has been carried out in full force and effect. The record justifies this statement. My 18 years as a member of the state assembly and the state senate, and the experience gained as president pro tempore of the senate during three sessions of the legislature, furnished me the background necessary to perform my duties as a member of the state board of equalization."

"I have tried to deal fairly, honestly and equitably with all problems coming to my attention. In announcing my candidacy for reelection I do so with the thought in mind that if the people of this district again honor me by permitting me to continue as their representative I will put forth

CHARRISON SEEKS JUSTICE POST IN LAKE TOWNSHIP

KINGS BEACH— Harry Charrison, a well known resident of Kings Beach, has announced his candidacy for justice of the peace of Township 12 of Placer County. Charrison came to Kings Beach in 1944 from Pasadena, where he had engaged in business for 20 years and where he was active in civic and fraternal affairs. He was grand marshal of the grand lodge of Odd Fellows for California, a member of the Lions International Service Clubs and is now a member of the Truckee club. He is active in church and community affairs at Kings Beach where he and Mrs. Charrison reside and own their home.

The candidate served one year on the superior court jury in Los Angeles County. During World War I he was with the Canadian forces and later was inspector in the postal service. Charrison was acting postmaster at Kings Beach for two years and managed the Tahoe Theater. He is with the state department of agriculture's inspection station.

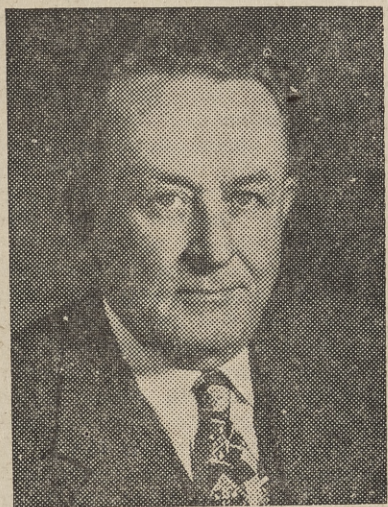

"I believe in justice with dignity and common sense," Charrison declared, "and if elected I will devote my best efforts to the position entrusted to me by the voters."

Choir Practice Slated At Community Church

Adult choir practice for Easter services at the Community Methodist Church is being held Monday nights at 7:30 with the young people's choir meeting after school on Fridays, Rev. Oscar Swenson, pastor, reports.

Regular Sunday services at the Truckee church and at the Wee Kirk of the Pines at Kings Beach include Sunday School for all ages at 10 a.m. and worship service at 11 o'clock. Sunday evening services are held in Truckee at 7:30 p.m.

Anyone desiring baptism or to unite with the church is invited to consult the minister.

Jerrold L. Seawell

every effort to maintain a sound administration worthy of their trust. I will seek both the Democratic and Republican nominations at the primary election June 6."

The third equalization district consists of 25 of California's 58 counties and contains nearly half of the geographical area of the state.

NARCOTICS MAJOR PROBLEM IN STATE ROTARIANS HEAR

Organized narcotic and major crime rings are the chief concern of Attorney General Fred Howser he told members of the Rotary clubs and their guests from Truckee, Tahoe, Quincy, Lincoln, Sacramento, Brockway, Nevada City and Grass Valley at a meeting attended by 85 at Nyack Lodge Monday night.

Howser gave an interesting and informative talk on the work of his office, stressing the importance of curbing narcotics which are a major threat to the welfare of the state, particularly in the younger groups.

District Governor Steve Lombard was also an honored guest at the meeting which was presided over by Johnny Ciardella, president of the Truckee club. James Sherritt, program chairman, introduced the principal speaker. Walter Jensen of Lincoln, nominee for next district governor was also a guest.

In discussing slot machines and other minor violations, Howser indicated enforcement was up to local authorities but said his office stood ready to cooperate with with city and county officers at all times.

Cancer Movie Will Be Shown Next Tuesday

"Web of Life" is the title of the film to be shown on Tuesday evening, March 28, starting at 7:30 in the Wyethia Club building to introduce the Cancer Fund drive which will be held during the month of April. Mrs. Raymond Scott, chairman, will introduce Dr. L. D. Nelson, speaker on the program.

RED CROSS DRIVE IS SHORT OF MARK

The Red Cross fund drive, which will continue until April 1, has only reached a little over a third of the \$600 quota, Mrs. Posten Wilson announced this week.

Volunteer workers will solicit business places and households this week in an effort to obtain the full amount, the greater part to be retained for local projects.

Many local sportsmen share the belief that hunting and fishing conditions throughout this district would receive more attention and be benefitted from a seven-man elected board of fish and game commissioners. This same opinion is shared by some of the state's legislators and we think the time is ripe to set the machinery in motion for such a change if it meets with the approval of the majority. The present board, appointed by the administration, is no doubt doing the best it can under the conditions it must meet, working without compensation and devoting only a limited amount of time to the numerous problems. By making each commissioner directly responsible for the program in his district and making the position worth the required effort, it seems that it would put the department in closer contact with the sportsmen and provide needed improvements. One thing is quite apparent — unless something constructive is done soon, our fish and game will continue to diminish until the employment of any program will be useless.

The students of the high school this year will attempt to finance the publication of their school annual—The Chipmunk—through a show and carnival to be given at the Capitol Hall on Saturday evening. The young men and women are working hard to make the affair a success and everyone is invited to join in the fun. Make it a date to help and at the same time provide yourself with a lot of fun by attending the show Saturday night.

CENSUS TAKERS START SCHOOL NEXT MONDAY

Classes for census takers in this district will start next Monday, Charles Bannon of Kings Beach, crew leader for the area, announced. Four enumerators will be used in the Truckee-Summit area, he said, and the work is expected to be completed during April.

The applicants will be given immediate tests and the work will start Monday during the five-day period for training at the Tahoe Lake elementary school.

Bannon announced the following enumerators for the Truckee, Tahoe and Donner area will begin the school Monday: Dorothy Rose, Truckee; Donald B. Wallace, Soda Springs; Byron K. Miller, Floriston; J. R. McKennon, Big Chief; Arnold Miedema, Ruth Lavery and Noble Murray, Kings Beach; and Mrs. E. V. O'Rourke, Tahoe City.

Valuable Awards For Rock Weight Guesses

Between Monday, March 27, and April 10, Mattheus Furniture will be conducting a weight guessing contest at its Truckee store. A Samson card table will be loaded with an unknown weight of boulders in the window of the store. The public will be invited to estimate the total weight supported by the table and submit one estimate each. The five closest will receive valuable merchandise awards. There is nothing to buy and no obligations upon those entering.

For details, see Mattheus ad on page 2 of today's Sierra Sun.

20-30 Members Discuss Convention in Nevada

Forest Ranger Gets Award For Rescue Efforts

Max Williamson Earns Medal for Reviving River Victim

Max Williamson, Tahoe National Forest ranger of Big Bend, has been awarded the National Safety Council's President's Medal for saving a life by artificial respiration.

Williamson stepped in after campers had pulled Joseph Gomez of Sacramento from the South Fork of the Yuba River near the Big Bend ranger station last August 1. Gomez had stopped breathing. Applying artificial respiration for five minutes, the victim was revived. Williamson made advance arrangements for Gomez's hospitalization, ordered an ambulance and continued to work on his man. When it was apparent that the man would survive unless constantly attended, he accompanied the patient in the ambulance and continued artificial respiration for the duration of the trip from Big Bend to Nevada City. After oxygen treatment for 18 hours at the hospital, Gomez fully recovered.

Williamson is to receive his award at a special ceremony in San Francisco when another officer of the United States Forest Service, Bliss Paul, of the Lassen National Forest will be similarly honored.

The President's bronze medal will be presented to both men today by R. A. Pike, western representative of the National Safety Council, and the presentation will come as a climax to a week's convocation of forest officers from all over the California region, who have been planning ways of intensifying the Safety Training program of Forest Service employees.

Nevada City Man Coroner Aspirant

Rumors of a contest for the office of coroner of Nevada County were confirmed today when J. Paul Bergemann, owner of Holmes Funeral Home and member of the board of trustees of Nevada City Unified School District, filed his declaration of candidacy for that office at the June 6 primary election.

"Friends from every part of the county have urged me to make this race, feeling that my 20 years of experience, including six years as deputy coroner of Berkeley, should be made available to the people of Nevada County in this important post of coroner. In filing for this office, I welcome the opportunity to be of greater service to the people of our county," Bergemann said.

Prominent in civic, fraternal and community activities, Bergemann's team won the 1949 championship in the Nevada County Softball Association. He is a member of the Elks Lodge, the Rotary Club, the Nevada County Historical Society, the Nevada County Sportsman's Club, the California Hydraulic Mining Association and is a past president of the Nevada City Chamber of Commerce.

Bergemann lives with his wife and son at Nevada City.

Youths Still Must Sign For Selective Service

M. L. Morrison, field representative for the Selective Service System, visited here this week. Morrison called attention to the fact that although the drafting of men for the armed services has been discontinued, temporarily at least, the law still requires that they register at the age of 18 years. The place for registering in Truckee is at the office of the Sierra Sun.

21 Days

left to register to vote in the June 6 primary election. In Truckee you may register at the Sierra Sun office or at the Truckee Chamber of Commerce. Last day, April 13!

Buses Fired On Near Truckee, Drivers Report

Both Sections of Schedule Are Hit by Bullets Saturday A.M.

Drivers of two Greyhound buses reported to the highway patrol that their vehicles had been fired upon one mile west of Truckee Saturday morning at 10:30 o'clock.

The windshield on the first section bus was shattered and glass scattered inside the bus, apparently from a small calibre bullet. The driver, George McEwaine, told Patrolman William Gautsche he was driving west when the shooting occurred. The bullet did not penetrate into the bus.

The shooting of the second section was not noticed, the patrol here was advised, until the bus arrived at Sacramento. There it was revealed the destination sign over the front of the vehicle had been penetrated by what was apparently a bullet.

The patrol has been making inquiries to determine if boys with rifles, hunting near the scene, were responsible.

LOCAL VEHICLES ARE INVOLVED IN ACCIDENTS

Three motor vehicle mishaps, none of them of a serious nature, were reported by the highway patrol this week.

Melvin A. Thornton of Thornton's Garage in Truckee has minor injuries as the result of a collision between his car and a snow plow operated by Edwin Parkhurst, also of Truckee, on a curve on Donner grade Sunday afternoon at two o'clock. Patrolman William Gautsche said the slippery condition of the road and poor visibility resulted in the accident.

Charles K. Hoover Jr., 32, Oakland, was cited for driving without due caution after his car skidded into a parked state highway patrol car operated by George Schrom on Donner Summit Sunday morning at 9 o'clock. Patrolman Schrom had parked to direct traffic when the mishap occurred.

Alvin Eggleston, 29, Stockton, escaped when his car skidded into the bridge near the quarantine station Saturday afternoon at 3:30 o'clock. Both the car and the bridge were damaged.

GALA EVENING OFFERED PUBLIC BY HI STUDENTS

An old fashioned "mellerdrammer", a dance and carnival booths will be features of the Gay Nineties Night to be presented by the student body of the Tahoe-Truckee High School Saturday night, March 25, at the Capitol Hall in Truckee. Receipts from the evening will go toward publishing the 1950 "Chipmunk", the high school year book.

The first part of the evening's entertainment will consist of an old fashioned play, titled "For His Brother's Crime," and a Gay Nineties review, featuring members of the high school glee club and band. Following the show, game and refreshment booths will be thrown open and dancing will begin.

Each high school class will be in charge of two booths. The seventh and eighth grades of the Truckee Elementary School will be represented by one booth.

The public is invited to attend.

Local Sanitary Board Meeting This Evening

H. H. Hodson, chairman of the Truckee Sanitary District board, has called a meeting of the board to be held tonight at the district's office at which time a number of important questions will be discussed. One of the more important matters will be a discussion of the current condition of the disposal plant which is badly in need of correction, Fred Morris, district superintendent, said.

Finance and other issues will be brought up for decisions.

Snow Pack Here Near 50 Per Cent Water

In the 28 inches of snow remaining on the ground in Truckee, there is a water content of 13.75 inches, Dr. J. E. Church, famed snow surveyor, advised officials of the forest service here this week. Rapid disappearance of the moisture by melting was noted when the survey showed three inches of moisture lost during the past week; despite a recorded 2.15 inches during the recent rain and snow storm, William Curran of the forest service said.

North Tahoe

by T. BURROUGHS

Ladies Night for the Brockway Rotary Club was a huge success in the form of a St. Patrick's party. Decoration of rooms carried out the St. Patrick's color theme in crepe paper shamrocks. Tables were decorated with gum drop trees around which those snakes—chased out of Ireland so long ago—lay in perfect contentment. They, too, were of gum drop consistency. There was a presentation of two numbers by our talented and capable little dancer, Alice Davis, with Ruth Misner at the piano. Folk dancing has really caught on too. Lou and Dick Boyce, Micky and Bud Mandeville,

Mae and Bob Critchley, Audrey Welch and Steve Port Jr. demonstrated several folk dances with skill. Dinner was interspersed with songs of Irish origin with the proper brogue.

Girl Scouts Lone Troop No. 1 of Kings Beach plan another invitational dance to be held April 15. Again refreshments will be sold and proceeds used to purchase uniforms. The Tahoe Valley Girl Scouts will be invited and it is hoped nothing will hinder their attendance this time.

Kings Beach PTA sponsored a St. Patrick's Day dance at the Carpenters' Hall last Saturday evening with a fine turn out considering other activities in the vicinity. Everyone had a wonder-

ful time and there probably will be another dance soon.

A complete surprise during the week was the birthday party last Friday evening at the Bud Hunt home in honor of Sophie Levra. Present were Steve and Lillian Port with their sons, Bill and Steve Jr., the Larry Roods with their children, Walt and Janice Bailey with their youngsters, Bud and Bonnie Hunt and child, Sophie and John Levra.

Mrs. A. E. Abbott left with son Byron early this week for a few days visit with friends and relatives in Bakersfield.

Company at Tahoe seldom carries the element of surprise. But what a rumble it was! All that noise at the door of Mr. and Mrs. Dave Hall's home on Brockway Hill at 6 o'clock Saturday morning. Rushing to learn its cause, the Halls were delightedly surprised to find her son, Cpl. Paul S. Martin, with four buddies, Cpls. Donald A. Wells and Richard F. Titterton, Pfc. Frank O. Ledbetter Jr. and Richard B. Tice, standing outside. The boys were off duty from Friday evening to Monday morning. Not realizing the distance from Barstow, where the five Marines are stationed, Paul decided to pay his family a visit. His friends gladly accepted an invitation to come along. Winona's only regret was that her other son, Raymond, also in Uncle Sam's service, could not be present. The boys reluctantly left early Sunday afternoon, convinced that the long trip was well worth while.

Congratulations! Bud Mandeville and Kenneth Lavery. For the wonderful work you've done with the youth of North Tahoe, Bud, in ski instruction. And for your successful cross country race last Saturday, Ken. Mandeville entered several of his pupils in the Lake Tahoe Ski Club's annual junior meet March 18 at Tahoe City and was rewarded in part for his good work with youngsters when Ken came in second in the cross country race. It is hard to tell who is proudest of that medal Ken brought home—himself, his mother, Ruth, or father, Richard.

Mr. and Mrs. Warden Fields, who spent some of the winter in Oklahoma, have returned to Kings Beach. Thresa and Tom Sutton are working like beavers in anticipation of their official opening of The Buckhorn about April 8. Little Larry Free celebrated his 4th birthday Tuesday afternoon with a party for seven of his young friends. Those enjoying the games and refreshments with him were Chris and Stephen Felte, Susan Decker, Karen and Sharon Critchley, Pete and Dinky Mason. Three of the mothers, Mrs. Kay Felte, Mae Critchley and Mrs. Decker, were there to sample Larry's birthday cake.

The Robert Critchleys will leave this week for a week with their friends and Bob's family in Oakland. Official opening of The Pines, owned and operated by Ruth and Bert Cochran, was celebrated last Thursday night with a St. Patrick's party. The house was jammed with friends and well wishers

TAHOE FIRE DISTRICT TO VOTE ON 3RD ON NEW FIRE HOUSE

TAHOE CITY—Tahoe City's board of fire commissioners met March 15 to receive bids on the proposed new district fire house and to issue proclamations on two elections. The elections, coming up April 3, are for the election of one commissioner and on a proposition on financing the proposed fire house.

Three bids on the project were studied. N. R. Mayfield, with a bid of \$4426.85, was low bidder.

Plans call for a 24 x 32 feet structure, garage downstairs, a meeting place for firemen upstairs. It would be constructed of pumice blocks, windows of glass blocks, and would allow space for an expected second major piece of equipment. The house would be built on the highway immediately below Tahoe Commons.

An additional cost of \$223.15 was added to the contractor's estimate, making a total of \$4650. The commissioners hope to raise this amount in a loan so construction may be completed early this summer. To pay the loan a proposition will be presented to the voters within the district calling for a tax of 30 cents per \$100 of assessed valuation for five years. Commissioners are A. M. Anderson, C. B. Cross and Harry Johnson. C. W. Vernon is clerk.

Snow Pack Dwindling In Rainy Weather

TAHOE CITY—Since the March 12 low of zero, the low daily temperatures here have not dropped below 13 and the daily highs have been above 36. Most of the week's precipitation has been rain which has diminished the standing snow. Snow measurement on the ground March 20 was 22.5 inches. This has been cut further by rains on March 21. Lake Tahoe on March 20 stood at 6224.58 feet. Record for nine days to March 20 was:

Tahoe, Summit Citizens Are Urged to Register

Placer County Clerk Lillian Rechenmacher reminds the citizens of the eastern end of the county that the deadlines for voter registrations are rapidly drawing close and urges all in the area qualified to vote to register. For their convenience, she has designated the following as registration deputies:

Mrs. Lola Schull, Norden.
M. H. Dodd and Prudence R. Dodd, Kings Beach.

Robert E. Granlees, Brockway Hotel, Brockway.

Stella Watson, Tahoe City.
While the closing date for the June 6 primary election registration is April 13, those wishing to vote in the Tahoe-Truckee school district election May 19 must be registered by March 27.

Cancer Drive Workers Are Named at Tahoe

TAHOE PINES—Mrs. John D. Burns of Tahoe City, campaign chairman for the fund raising drive of the American Cancer Society in the Lake Tahoe area of Placer County, announces the following as her local committee to assist in the annual drive which will take place during the month of April: Mrs. A. M. Henry of Tahoe City, treasurer, and Mesdames Ivan Wilson, Ray Fellows, Jack Smith, Phil Gallinger, Stan Martin, N. R. Mayfield, Gerry Waters, Floyd Carnell, W. A. Simmonds and the Misses Kay Starratt and Florence Vernon.

Mrs. Burns reminds everyone of the education cancer film, "The Web of Life", which will be shown on Monday, March 27, at the Community Center in Tahoe City. Dr. L. D. Nelson of Truckee will give a talk on the film and join in discussion which may follow the showing. It is hoped that there will be a large attendance.

LAST DAY ON SKIS

—by Ruth Osburn
March 15 was the last day to be spent at Squaw Valley by Truckee elementary and high school students. Since the beginning, skiing has been enjoyed by everyone who went to Squaw Valley. Everyone appreciated the chance to ski and hopes next year and in years to follow, other children will have the chance. We would like to thank Mr. Cushing of Squaw Valley for letting us have the opportunity to ski there.

—by Eugene Carrillo, Louis Ramirez, Marie Osburn
On Monday, March 20, the pupils of Truckee Elementary School were happy to see Miss Frances Hunt, Placer County music supervisor, again. As before, she taught the pupils many different square dances and songs.

Mrs. Gage's class has been learning these songs and dances, "Chapaneas" and "San Severino". Eddie Rankin, who is in our third grade, has been helping with some Spanish pronunciations. He has twice visited in Mexico.

STUDENT COUNCIL

—by Margie Osburn
Members were elected for the student council in the 2nd and 3rd grades in Mrs. Borneman's room. Kenneth Osburn and Carol A. Quilici were elected in the third and James Loynd and Merrill Englehart in the second. In Mrs. Gage's room the third graders selected Tommy Towler to represent them and Barbara Brown was chosen by the 4th grade.

The first grade has elected Timothy Ridsen and Cynthia Reynolds on the student council.

PERSONAL NOTES

The girls now working in the cafeteria are Lois Grey, Margie Osburn and Marie Osburn.

Mary Ann Tonini from the 7th grade came in third in downhill and slalom Saturday at Tahoe City.

Last Saturday Irene Goicoa cut her beautiful hair.

Ruth Osburn also cut her hair. It looks very nice.

Alberta Cooper, Ruth Osburn, Ginger Reynolds and Mary Ann Tonini went up to Lake Tahoe Saturday for the ski meet.

Lois Grey, Ruth Osburn, David Peterson and Louis Ramirez are working in the school carnival booth next Saturday night at the Capitol Hall.

Summit Scene

by FRAN COUILLARD

At seven o'clock Sunday morning, we were called out of our nice warm bed by Cam Rounge's impatient horn tooting out front. "Come on," Cam said, "we're going to pull the race!" We found that the miserable Sunday morning on the Donner Trail cross

country ski race course included a blizzard with a driving wind at the starting gate, wet snow from there to about Kingsvale Park and the rest of the course practically swimming in 16 miles of driving rain. Cold, chilling, miserable and most of all wet, wet, wet. Cam and I started to poll the many racers who were congregated in the area to get their reaction. They voted to "Go!"

The race, which was to have started at 10 a.m. wasn't called until 11. Such old timers as Roy Mikkelsen, who has braved weather conditions for many, many years in jumping, racing, cross country, etc., slowly shook their heads, pulled their parkas over their cold frames and trudged up the hill where, within 25 feet, they were lost to our vision. Following Roy was Clig Weigel and Earl Tige Larsen of the Placer County board of education, all these men acting as starters and

timers. They had driven from Auburn to the Summit to officiate for Cam Rounge's baby, the Donner Trail Cross Country race. We sat in a car with a microphone in our hands (public address system loaned by the Auburn chamber) to tell something of each racer as he started and darned if we could make out anything except a dark blur when they started. We were finally notified when the last racer was off and then followed the racers in their westward journey which couldn't have been much worse for the group they were commemorating in their trek, the pioneer Donner Party. Bridges that had been put in by the committee to cross the river at various stages had been washed out. The racers took off their slim boards, took off on foot until they hit the trail again, and kept bravely on. Out of 26 starters, 23 finished. All the gals finished, there being three.

As though rewarding the tired skiers for their courage, the sun deigned to start shining on them at about the spot where Highway 20 branches off the main arterial. Meeting the 23 soaked, tired cross country skiers at Rancho Sierra was Doc Widing and his corps, who promptly took off their skis, wrapped them in blankets, led them to shower and game them hot milk.

Ernie and Margot Nordstrum of Ski Hi not only graciously gave all skiers a bountiful smorgasbord Saturday night after the drawing of numbers but also gave Ernie to the race. With the advent of Ernie into the blizzard, one of the amusing incidents of the race came up. We discover Poiken, the Nordstrum's Norwegian elk hound, is also a cross country skier. Poiken followed his hard poling master clear down to Rainbow, blowing and puffing as hard as Ernie. Around Rainbow the bridge was out so when the skiers took off their boards to follow the highway, Ernie stopped, scooped up Poiken and stepped out of the race.

Arne Gille of Sweden ran the entire 22-mile course with a broken ski. Stig Bengter of Ice Lakes broke his ski pole before the half way mark. Edvi Aro developed cramps in his legs.

Racing results by now have been broadcast throughout the land for during the past few months, Hans Holoas, who is American cross country champion, has become an international figure. In spite of blizzard, pouring rain and the obstacles of last Sunday's race, Hans beat his record of the 1949 Donner Cross Country by over 15 minutes. The same goes for Nils Norman who came in second. Local boy Stig Bengtar came in third, his time being cut somewhat by the broken pole.

This Hans Holoas deserves at least a paragraph. Last year, after placing first in the Donner Trail race, he went to Eugene, Oregon, where in less than a year he imbued the people in and around that area with such enthusiasm for cross country skiing

that the Tri-Pass Ski Club was formed. The new club sponsored Hans, Nils and three Eugene high school youngsters who came into our area for the race. Each carried home a trophy, with a young girl, Sharon Gardner, keeping right up there in front with the men, and coming in without even "steaming". The Tri-Pass club extended an invitation to Donner area cross country skiers to join them next week in a tournament they are putting on. Ernie Nordstrum, in charge of arrangements, is trying to raise money, transportation, etc., to send a group to Eugene.

Trailside Lodge, Donner Summit Lodge, Beacon Hill Lodge and Soda Springs Hotel put the group which came into the area early to limber up for the grind. Bud Horak of Donner Summit Lodge put on the banquet for the racers after the show. State Senator Harold Johnson, a judge for the race, said: "The Donner Trail Memorial race will, in time, become the greatest of all cross country races in America." He promised full cooperation in helping us achieve that goal.

Great credit should be given to Cam Rounge, who lives in Auburn and made the trip back and forth every day to do the necessary hard work for the success of the race. Great credit should be given the Eugene high school group—Sharon, Shirley Couch and Bob Wagner—who came a long way to battle a tough course and tougher weather. To the boys who, wet to the skin, stood vigil at refreshment stands at designated points along the trail should be given thanks. To those who broke the trail, which was partly running with water, a hug for your fortitude.

Flowers to Godie Schuetz, who without practice completed the course and came in way up there; to Doc and Ruth Widing for the fine treatment of the exhausted skiers and the canapes served on lookers Sunday afternoon; to little Peg Crampton and Herb Coleman who attended their refreshment booth in a down pour; to the Soda Springs Ski Corporation for the permanent trophy. And if the yes of a nation turn toward last Sunday's event and the Donner area, we can thank the fortitude of the courageous bunch who voted to carry on in the face of a blizzard.

We quote a letter from Jerry Carpenter of the State Chamber of Commerce, "On many occasions we have pointed out that something should be done to make the (Summit) area more attractive to the summer vacationist. We now believe that the time has arrived when at least one definite step can be taken. Our council meeting will be held at the Sacramento Hotel March 31, 9:30 a.m. We should like to see some of you present at that meeting in order to present a resolution which will start the program for better fishing through the means of check dams. Such a program should be of interest not only for recreation but for water conservation. "Some \$750,000 have been set up by the Fish and Game Commission, out of pari-mutuel funds.

warrants. The superintendent audits and approves all these warrants. Last year over 5000 warrants accounting for an expenditure of approximately \$900,000 were processed through the office.

Carlson is assisted in his work by Mrs. Marie Watters, office deputy; Mrs. Doris Foley and R. Lee Ross, school supervisors, and Miss Vivian Berggren, rural school nurse.

Carlson was born and raised in Humboldt County and is a graduate of Humboldt State Teachers College. For the past 25 years he has been a resident of Nevada County. Previous to his election in 1938, he was principal of the Nevada City elementary school for nine years. He served in the army in World War 1 and is now a member of the Grass Valley American Legion. He is also a member of the Masonic and Odd Fellows orders in Nevada City and is a past president of the Nevada City Rotary Club.

The many demands upon the county superintendent necessitate the office to be filled by an individual with a background of experience in educational and financial matters. If reelected, Carlson pledges to continue to serve the interests of the county's schools conscientiously and to the best of his ability.

Squaw Valley Map OK'd

The Placer County board of supervisors have approved the final map of the Squaw Valley Estates upon a subdivision filing bond in the amount of \$20,000, guaranteeing to put in the streets within two years.

for the construction of such dams. \$284,000 has been allocated to be spent this year. Highway 40 is not on the program and steps should be taken immediately to remedy this situation. The recommendation which appears advisable is one asking the U.S. Forest Service to conduct a survey throughout the area to determine what lakes can be profitably dammed, etc., the same they have conducted in other areas. "I shall endeavor to study the territory more fully in order that we may have a starting point for consideration of the route to be followed and the lakes to be explored."

My Place In the Sun

by DOUG BARRETT

'Tis a wee world.....Back in 1911, a little girl named Gertrude sent a post card with a picture of her and her daddy to her Aunt Marie (Mrs. Robert Black) up in Everett, Washington.....Last week Joe Digesti went down to Albany to visit his daughter, Flori Pierotti.....and lo, she had the post card.....a friend of hers got hold of it for the stamp in the corner and gave her the rest of the card and she sent it up to me via Joe.....so here it is back, where it started, after 39 years.....and what I'd like to know it who is Gertrude and who is her daddy?.....Gil Berg, Ray Koenig, Bill Curran and Erv Waters went all the way down to Yuba City cat fishing over the weekend.....and got four fish.....had a good time.....and learned a new phrase for "full to capacity".....it's "tote sack full".....The Colfax Sentinel reported on March 10, 1899, that a group of Nevada capitalists had a project afoot to tap Lake Tahoe to secure the surface level.....and the Nevada City Nugget reports that 50 years ago 65 cottages were being built for the help at Floriston and the mill was expected to start operating by June 1 of that year.....Back in Truckee this week, Earl Stice called on Earl Stice.....the former, a Glendale plumber and sportsman, walked into the freight depot and

introduced himself to the latter, local SP agent and chamber of commerce prexy.....Tillie Smith made a gracious gesture when she gave one of her two corsages to Belle Williamson at the Wyethia Club birthday party Friday night.....Mrs. Smith rated the two bouquets as a charter member and also as a past president.....an enviable record, say I.....who have never been and never hope to be a prexy of that organization.....Johnny Rau and Al Wakefield in Loynd's ordering first aid supplies to take to the Lovelock basketball tournament this weekend.....Red Jolly on his haunches, pipe cocked at a rakish angle, repainting the front of the St. Louis Cafe.....Vince Mistretta shoveling snow off the sidewalk on the first day of spring.....which was Tuesday "Huge" Gini's, Willie Curran's and my birthday.....

This Is Your Power!

....Certain people would have us believe that public ownership of an electric power system is a new and alien idea, foreign to our American way of life. The truth is that public power systems were among the first ever built. As long ago as 1900 there were 700 municipally owned electric plants.

For half a century, an increasing number of American communities have provided their own light and power. Who is to say that their citizens, including you, the citizens of this community, are un-American?

Fools' Day Party Is Planned at Donner

An April Fool party is being planned for Thursday evening, March 30, at Donner Lake Lodge. The affair will mark the end of the current season for the lodge as the seasonal license expires. Guests are urged to come in masquerade but free masks will be provided. An orchestra will supply music from 9 until 1 and a midnight supper will be served. The public is invited.

Sen. Johnson at Lake to Discuss Problems

State Senator Harold Johnson of Roseville took time out from the busy special session of the legislature at Sacramento to attend a meeting at Tahoe City on Saturday where a discussion was held relative to roads and snow removal in that area. Johnson said he planned to return with officials from the division of highways and that he hoped a solution could be reached.

WYETHIA CANCELS MEETING SLATED ON GOOD FRIDAY

The April 7 meeting of the Wyethia Club has been cancelled in deference to Good Friday church observances, it was announced this week. The club will hold its next meeting on Friday evening, April 21.

A meeting of the advisory board and finance committee will be held in the home of Mrs. E. L. Loynd on Thursday, March 23.

Mrs. T. T. Buell and Mrs. N. F. Dolley were co-chairmen of the program and dinner meeting which was held in the Capitol Hall on Friday, March 17, to mark the 23rd year since the organization's founding. Spring flowers and green decor added to the tables' appointments.

Mrs. Robert Gifford presided at the business meeting and introduced charter members and past presidents, presenting each with a corsage in appreciation of their work in building and maintaining the club. Those honored were Mesdames Dan Smith, C. B. White, Cecil Edmunds, A. Polyanich, J. Wolert, T. T. Buell, N. F. Dolley, Rufus Gregory, Edith Fay, Annie Tonini, R. P. Bick and Frank Gaiennie. Mrs. Buell gave a brief history of the club.

Solos were sung by Mrs. Earl Stice and Mrs. L. D. Nelson who were accompanied by Mrs. William Englehart Sr. and Mrs. Wolert and they led in community singing. Twenty-seven renewals of memberships were received during the meeting to start the drive being headed by Mrs. Gaston Hocker and Mrs. Earl Brown.

Father of Local Man Passes at Bay Home

Bruce M. Kuehn, Tahoe and Truckee business man, was called to the bay area last week by the passing of his father, Max F. Kuehn, who died Tuesday, March 14, at his Piedmont home following a brief illness.

The elder Kuehn retired four years ago after 46 years with the U.S. Steel Corporation. When he retired he was secretary of the Columbia Steel Company. He had been active in Scottish Rite and Shrine circles. Funeral services were held Friday.

Beside the local man, surviving are his widow and a daughter in Washington, D.C.

Gregorys Are Feted At Recent Party

Mr. and Mrs. Rufus Gregory were honored at a surprise party last Thursday evening, arranged by Messrs. and Mesdames William Englehart Sr., Walter Loynd and William Englehart Jr. and given in the home of the former couple.

More than 50 friends attended the co-host affair and presented the couple with a gift for their home in Paradise. Visiting and games were the evening's diversion and were followed by a bountiful buffet supper.

Food Sale—

The WSCS sale of home cooked foods will be held tomorrow morning, Friday, March 24, beginning at 10 a.m. in the office of the Truckee Public Utility District.

Spring Flowers— Johnny Richards visited in Grass Valley and Nevada City yesterday, returning with a number of spring flowers and blossoms to decorate his Tourist Club here.

Two Truckee Girls are Honored Jointly

A joint birthday party in honor of Kathleen Curran and Linda McEwen was held last Friday at the home of Mrs. Gilbert Berg here. Both young honorees were five years old and candles centered the large birthday cake. The St. Patrick's day motif was observed in all the appointments and table decorations. Young guests who shared the afternoon were Jean Wakefield, Donna and Ginger Barnes, Barbara and Mary Vertner, Terry and Kittie Ellis, Terry Walker, Karen Smart, Frances and Judy McGinn, Randy Berg, Sherilyn and Wilana Curran.

Mrs. Mahne Hostess At Pajama Party

The home of Mrs. A. Mahne was the scene of a gay party yesterday when she was hostess at a pajama breakfast at 10 a.m. After the repast, served amidst yellow spring flowers, bridge was enjoyed by the group until late afternoon. High score went to Mrs. R. Gifford and low to Mrs. A. Polyanich. Others attending were Mesdames R. Scott, A. Tonini, A. Leitch, R. Little, Wm. Englehart Jr., Wm. Englehart Sr., C. White, J. Archie, R. Bick, V. Shattuck, B. Riordan, W. Loynd, C. Edmunds, H. Langille, R. Gregory, E. Fay, J. McIver and T. Buell.

Thimble Club Meets With 17 On Hand

The Pythian Sisters' Thimble Club met this week at the home of Mrs. Dorothy Guymer with Mrs. Alice Mayer and Mrs. Theresa Lyons as hostesses. There were 17 present and cards and refreshments were enjoyed during the evening. The next meeting will be at the home of Mrs. Essie Polyanich with Mrs. Ruth Hesse as co-hostess.

Pythian Sisters Plan Meet Here Tonight

A regular meeting of Pythian Sisters Summit Temple No. 79 will be held tonight at 8 p.m. A shower will be given for Mrs. LaVerne Patterson. Members may contact Mrs. Marjorie Anderson for information. Refreshments will be served, Mrs. Hazel Roberts, secretary, said.

Tarzan

by EDGAR RICE BURROUGHS

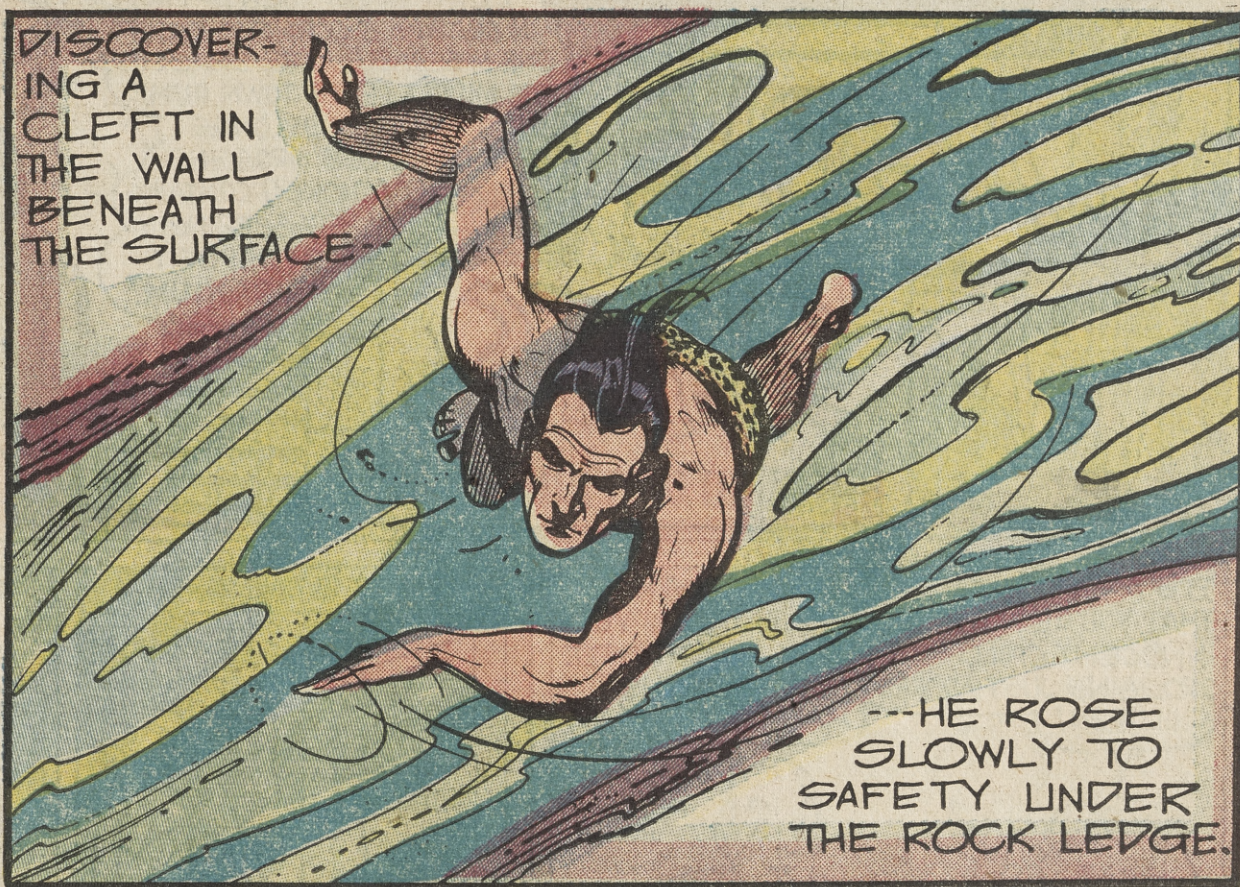

WHEN THE DAGOMBAS SAW THE SERPENT SYMBOL ABOUT TARZAN'S THROAT, THEIR FRIENDSHIP TURNED TO FEAR AND HATE. TO ESCAPE THEIR SAVAGE ATTACK HE DIVED BACK INTO THE LAKE.

APPLYING EVERY OUNCE OF POWER AT HIS COMMAND, TARZAN SPED THROUGH THE WATER TOWARD THE CONCEALMENT OF THE OVERHANGING LEDGE.

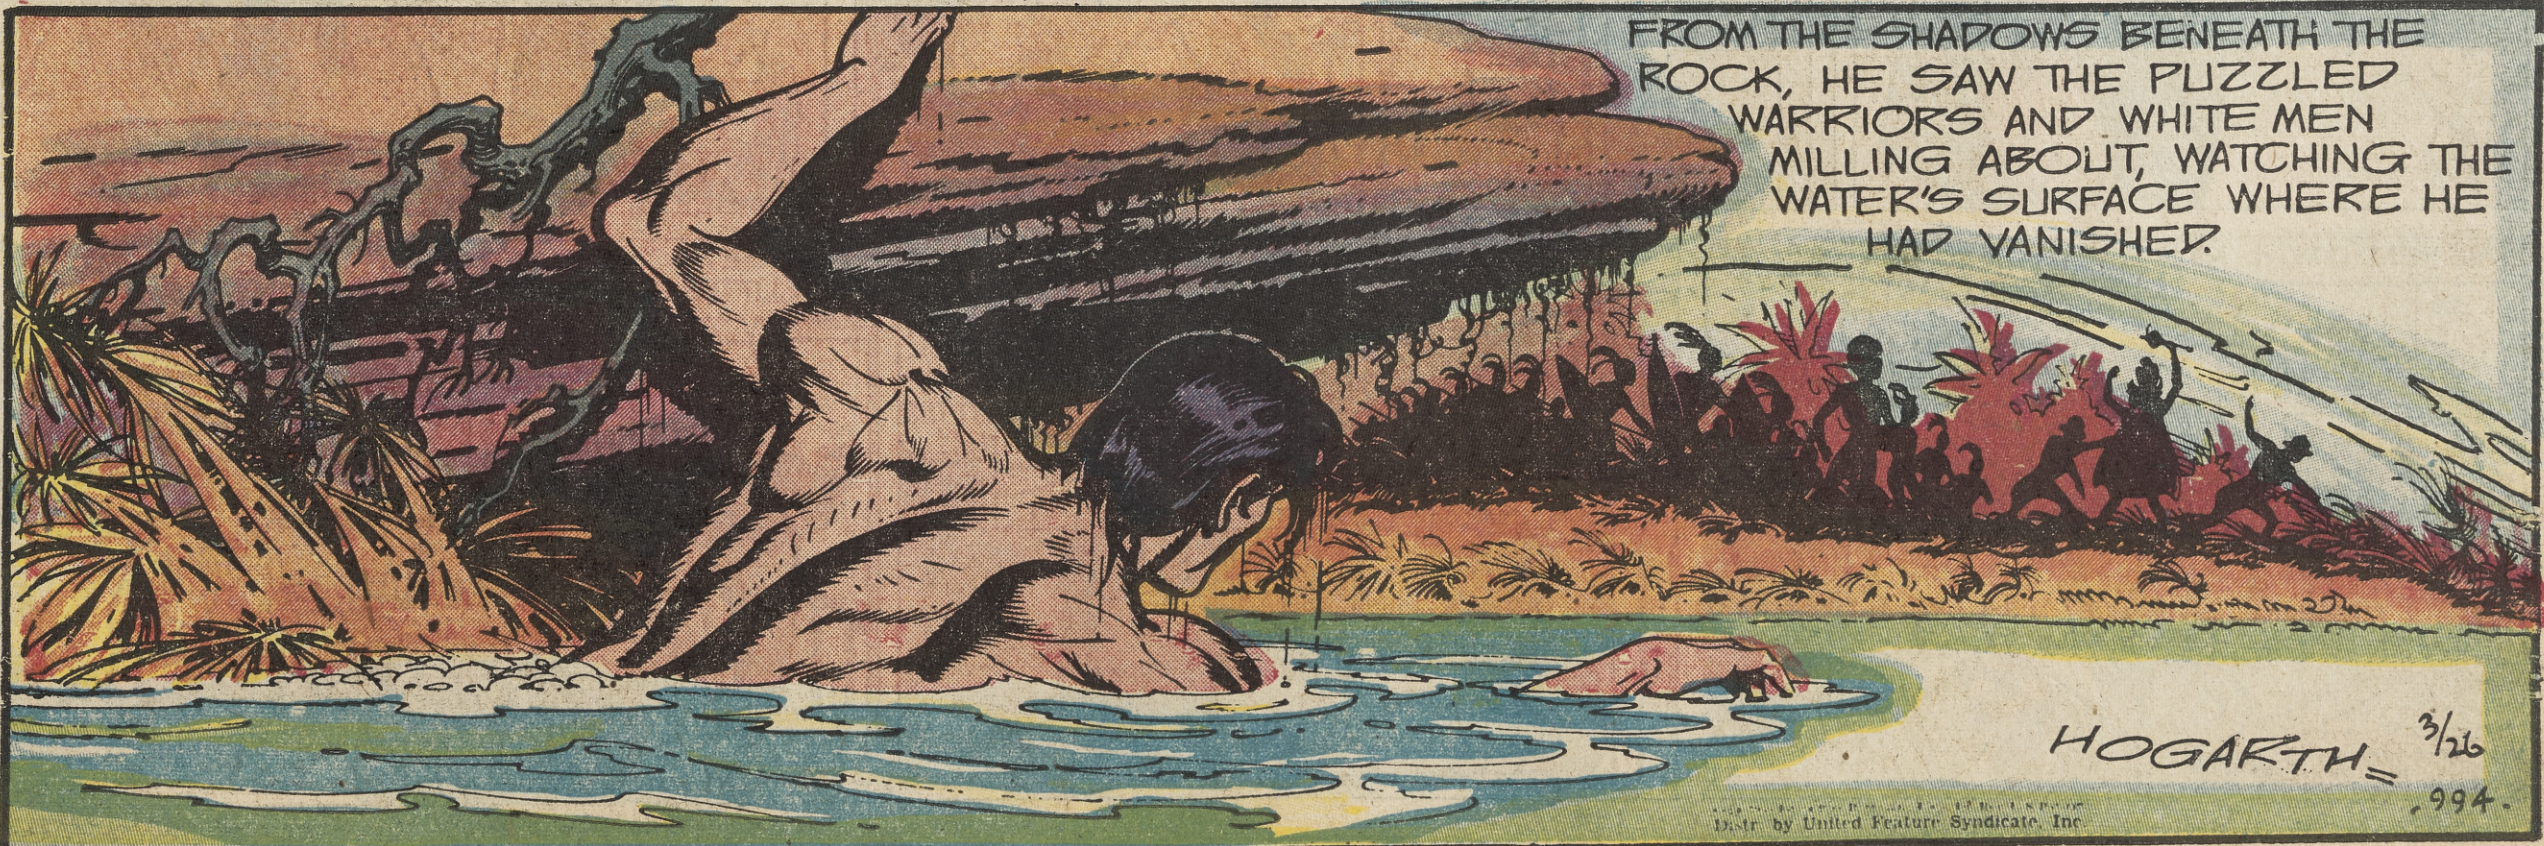

EVERY INSTANT HE EXPECTED TO FEEL THE IMPACT OF A SPEAR OR BULLET.

DISCOVERING A CLEFT IN THE WALL BENEATH THE SURFACE.

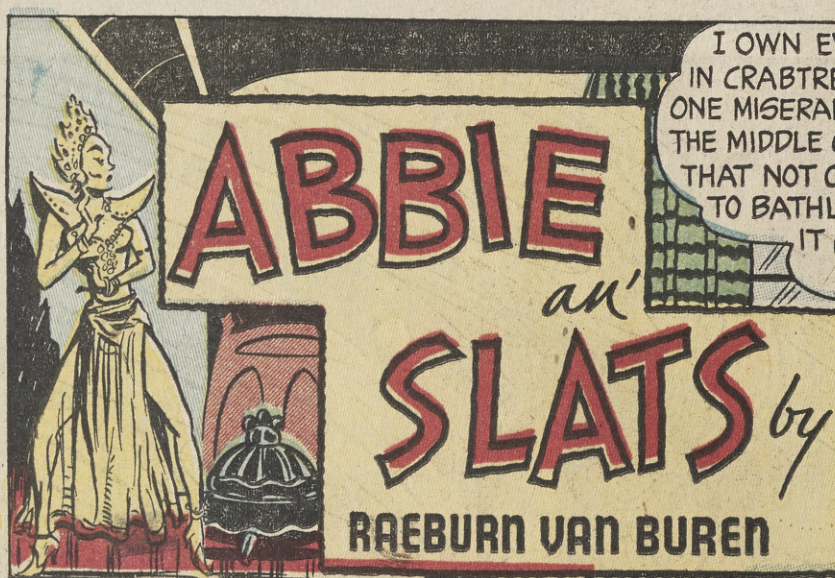

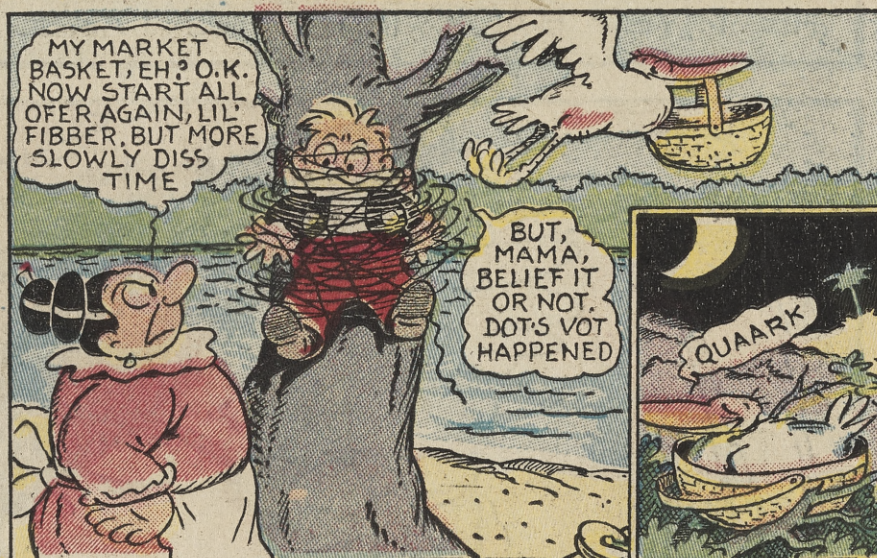

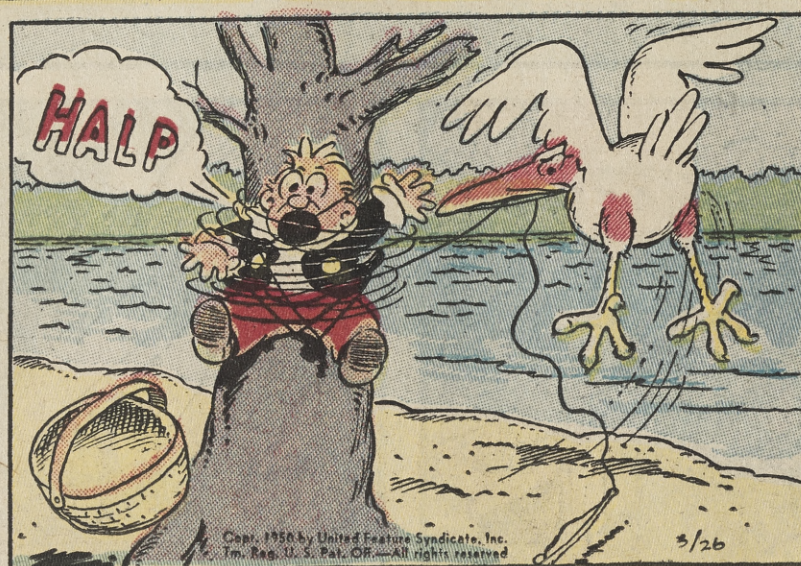

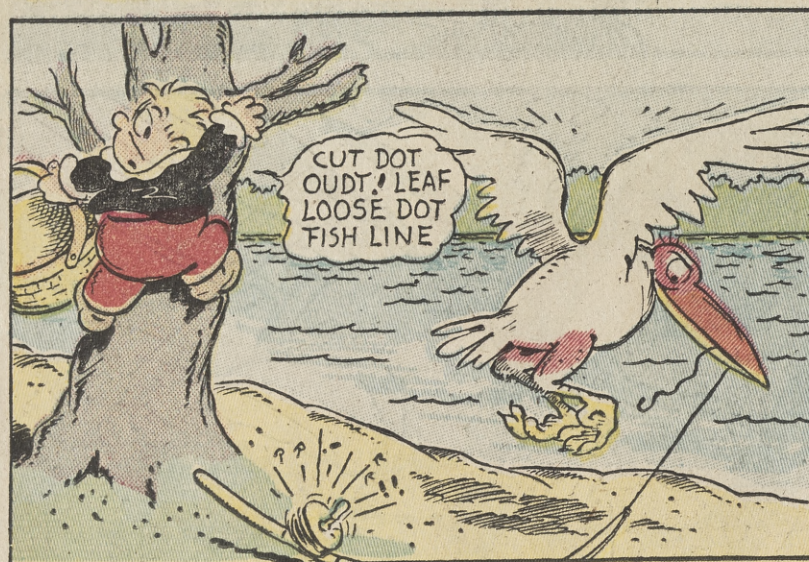

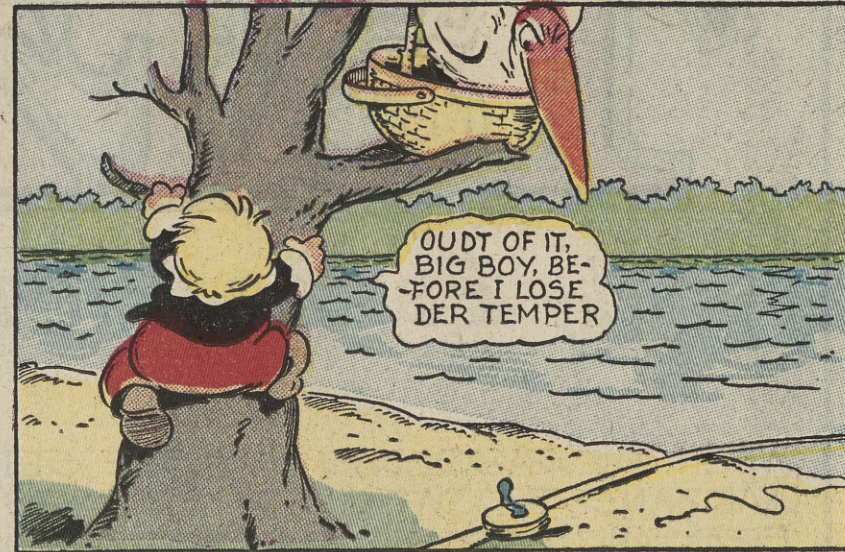

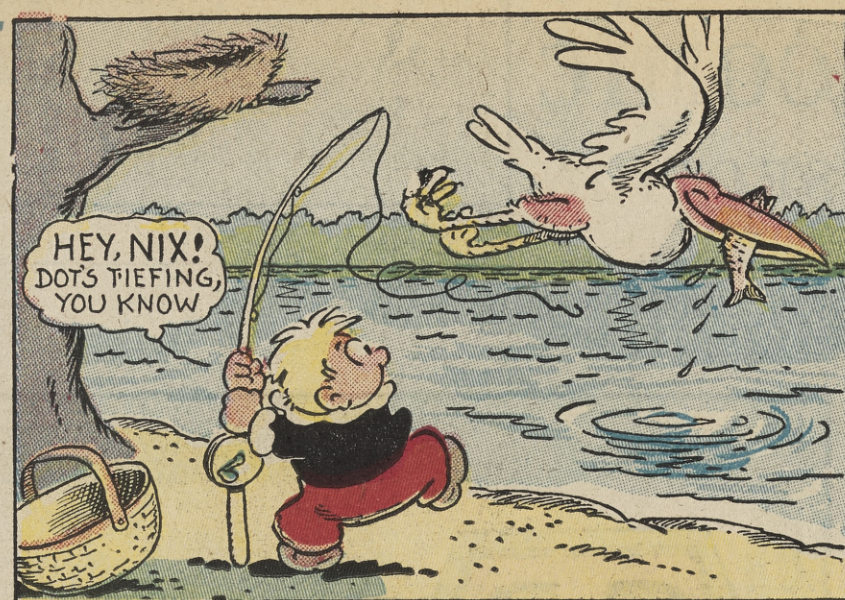

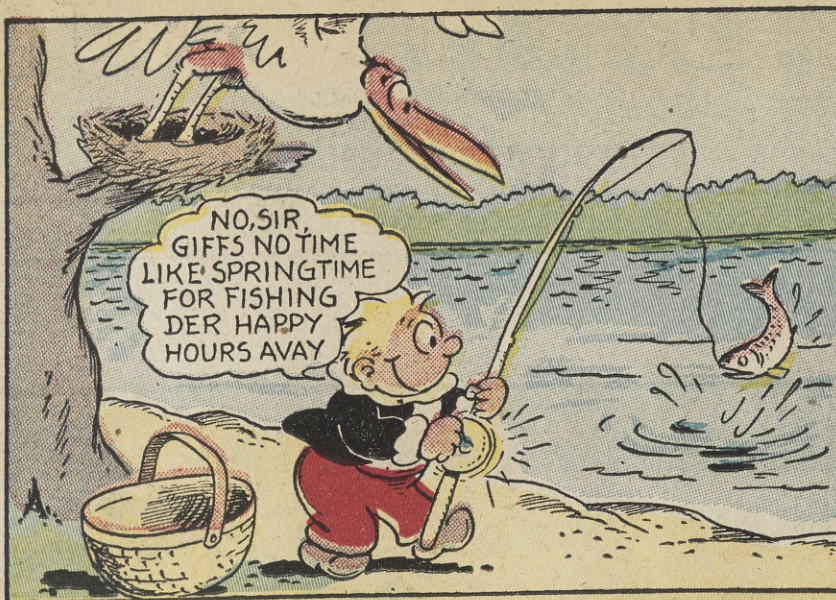

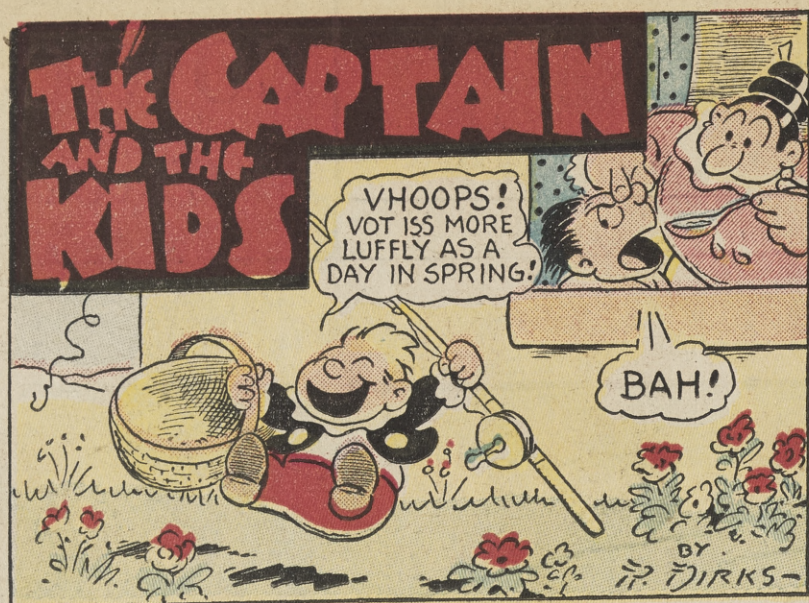

---HE ROSE SLOWLY TO SAFETY UNDER THE ROCK LEDGE.

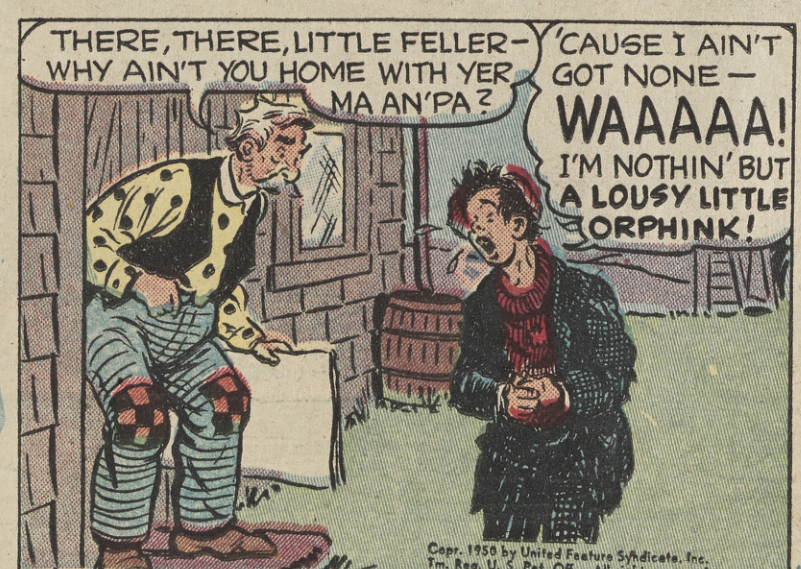

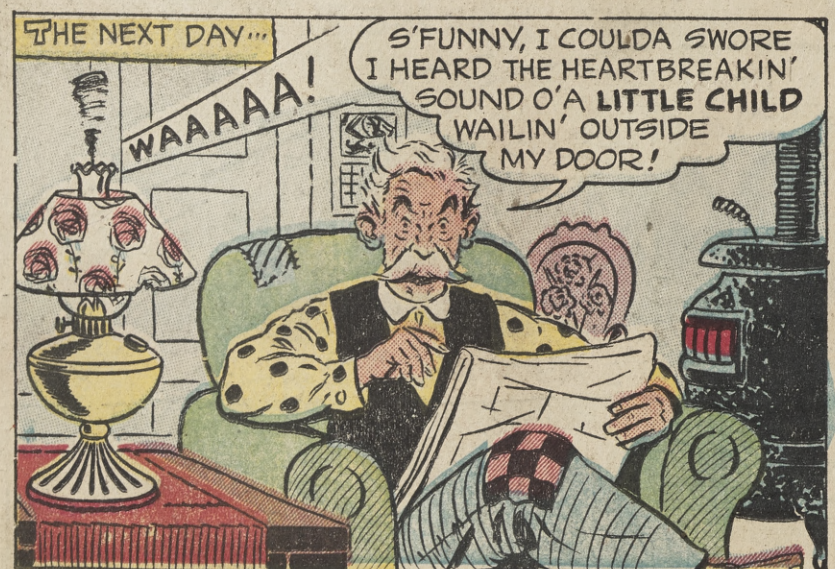

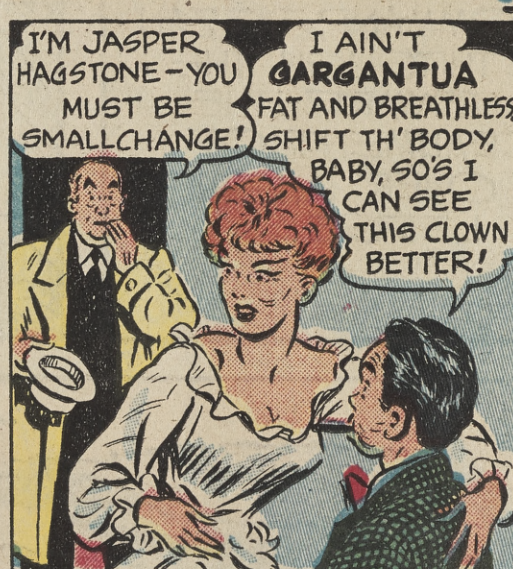

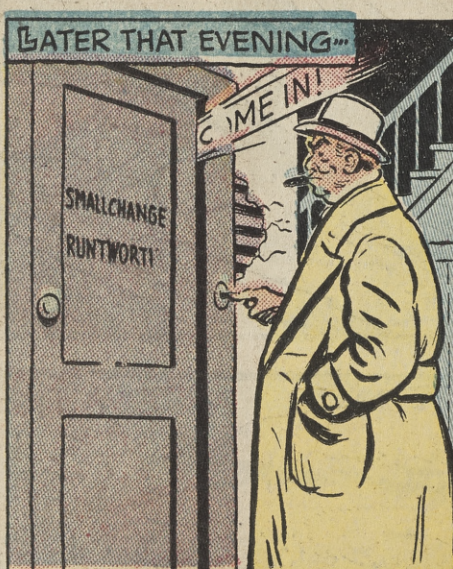

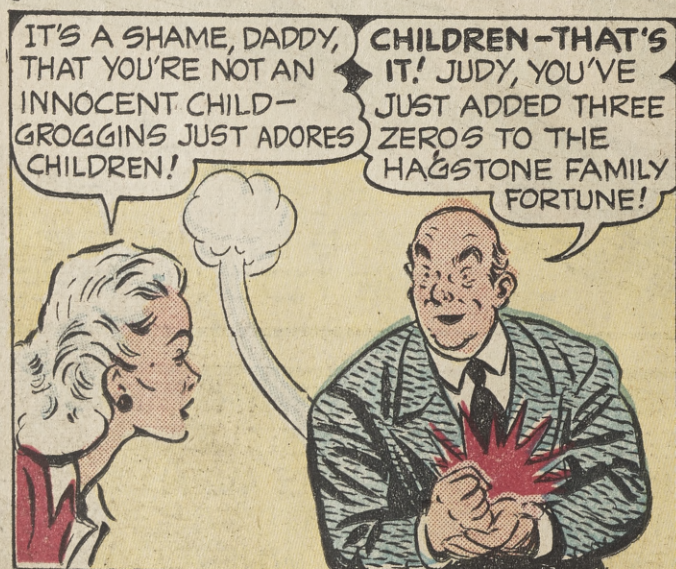

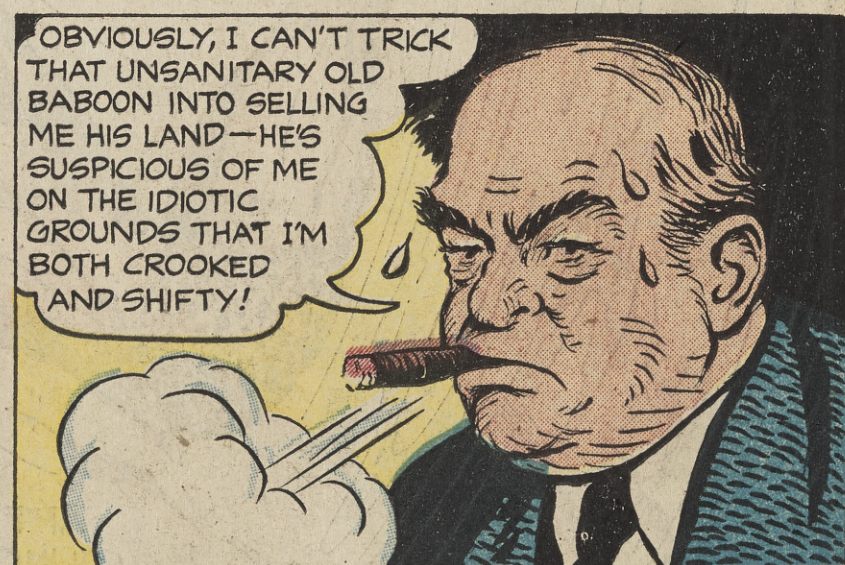

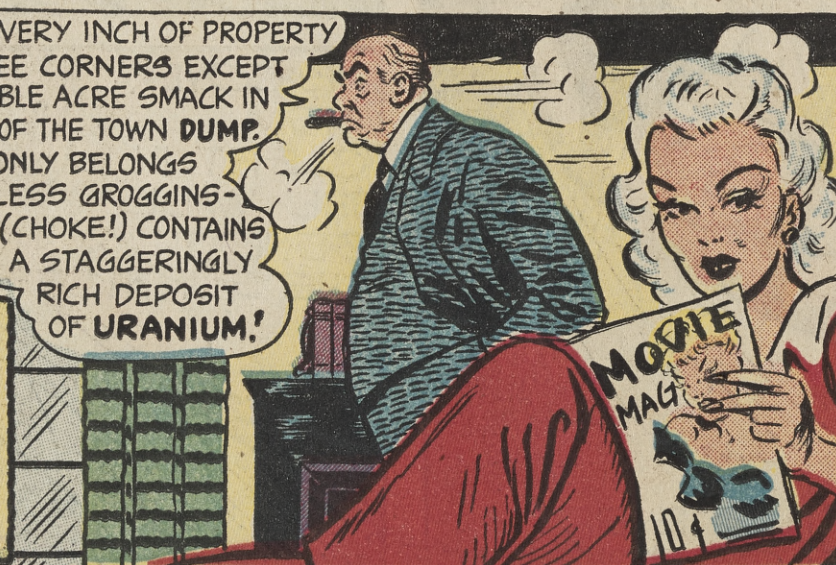

FROM THE SHADOWS BENEATH THE ROCK, HE SAW THE PUZZLED WARRIORS AND WHITE MEN MILLING ABOUT, WATCHING THE WATER'S SURFACE WHERE HE HAD VANISHED.
